**6 Financial reports**

**7 Updates on company projects:**

- a. Basin Management Committee (BMC)
- b. Operations

**8 Action items.** For each action item (1) Board members discuss and debate each item after presentation. (2) Shareholders and public may make comments and suggestions. (3) Board members make motions and votes.

- a. Update: Preparation for annual meeting and director election
- b. Update: Secondary water source project
- c. Update: Nitrate pollution remediation project

Beth had several comments:

On page 2-3, inconsistency in reporting the volume of water in tanks.

What is the reporting level for nitrate?

Regarding the statement that the BMC “may” consider revisiting the estimation of the sustainable yield, Beth suggested that it should be worded as “they are revisiting”.

Beth had questions about the weighting of projects in the study.

She suggested dating any cost estimation.

Add in bio treatment in treatment section.
